Commissioner for Patents

1. The timely submission under 37 CFR 1.129(a) filed on January 12, 2006 is not fully responsive to the prior Office action because the response amends all claims directed to the elected invention to recite a non-elected invention. Please see the restriction requirement in the office action of 1/21/05. The filing of an RCE does not provide applicants an opportunity to make a new election. Consequently, all claims in the case are withdrawn from further consideration as drawn to a non-election invention. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Pamela Schwartz whose telephone number is (571) 272-1528.
